# Hallo!

I am an undergraduate student of Education Management at Surabaya State University now in my fourth semester. I am interested in the field of resource development, besides that I am also interested in applying microsoft office such as microsoft power point presentation and microsoft word. I am currently participating in various organizations on campus and in the community. In these organizations I have a fairly good leadership spirit, and have excellent soft skills. I can communicate with new people and can be responsible for the work I have both individuals and teams.

A screenshot of the Cendrawana High School website. At the top, there is a navigation bar with icons for search, user profile, and menu. The main header features the school's logo, which includes a globe and the text "CENDRAWANA HIGH SCHOOL". Below the header, the school's name is displayed in large, bold, black capital letters. A yellow "MENU" button is located on the right side of the header area.
